

Memorandum of Understanding between INTOSAI and the Donor Community

Addendum VII

On behalf of the Organisation for Economic Co-operation and Development (the “OECD”), this document refers to the Memorandum of Understanding between the International Organization of Supreme Audit Institutions (INTOSAI) and the Donor Community originally signed in Brussels on 20 October 2009 (the “MoU”, attached hereto). Although the OECD itself is not a donor organisation, it represents an important part of the Donor Community through its work on development co-operation, for example by supporting the strengthening of public financial management systems, including internal and external audit. In that respect, the OECD hereby expresses its agreement with the MOU and accordingly co-signs the aforementioned MoU as a member of the Donor Community.

Signed in Paris, France on 16th September 2014

A large, stylized handwritten signature in black ink, written over a horizontal line. The signature is cursive and appears to be the name of a representative of the OECD.
