

## AGENDA -14<sup>th</sup> INTOSAI-Donor Steering Committee Meeting 5/6 October 2021

The 14<sup>th</sup> INTOSAI-Donor Cooperation Steering Committee meeting will be organised as a virtual meeting due to the global COVID-19 pandemic. The meeting has been preceded by five open sessions in late September leading up to the Steering Committee meeting. These sessions have been recorded and can be accessed at [idsc2021.org](https://idsc2021.org). The meeting will run for a maximum of two hours and run in two different time slots to allow members from different time zones to join. The sessions will focus on information sharing and discussions on the way forward. We remain hopeful that holding the meeting virtually will allow Steering Committee members to participate actively and that we can continue our joint efforts towards fulfilling the strategic goals of the INTOSAI-Donor Cooperation.
